

2013 National Safety Stand Down

Meet your fellow aviators at the 4th Annual National Safety Stand Down. This year thousands of pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community. Tell your friends, "I'll see you at the Stand Down."

Directions: Driving: 1 block south of RBL airport terminal. Park in parking lot off street.
Flying: after landing, taxi to southeast hangars where airplane parking is available.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
